

The image features a black background with a complex, symmetrical Art Deco border in a light beige or gold color. The border consists of multiple parallel lines forming a series of nested, stepped geometric shapes, creating a frame around the central text. At the top and bottom center of the page, there are decorative motifs. Each motif consists of a central circle flanked by horizontal lines and small, stylized shapes, all enclosed within a larger, angular geometric frame that mirrors the overall Art Deco style.
